National President's Welcome Message

Welcome to Melbourne (the sporting capital of Australia?). It is exciting to be back at MSAC, our last Nationals here was in 2016, seems like a lifetime ago, but at last we are back again at this great centre. It is lovely to see so many old and new friends come together for one of the premier events in our 50th year of Masters swimming in Australia. Although it is not our 50th Nationals (thanks COVID) it is our 50th anniversary year and there are many activities planned for the year in all states and territories and nationally. Some of the activities you will learn about during your time in Melbourne. It is important to recognise the people who had the vision 50 years ago to start our organisation and thank them for all they have achieved. There are only a few of those original members now still swimming with us and during the year we will be recognising them and the other people who have given so much to make it possible for us to come together in Melbourne for this special annual event.

A huge thankyou to the hard-working organising committee for the hours of preparation to allow us all to be here together. It takes many people many hours to organise our National Championships, most of the work has been done behind the scenes before we get to Melbourne and there are many people involved. I know everyone who is attending this year's event appreciate all the work that has gone into the organisation and will join with me in thanking each one of you for your dedication to our sport. A big thankyou as well to all the officials on pool deck during the Championships. We cannot hold our swim meets without our dedicated officials, whether it be our National Championships, or our State championships or our club meets. Thank you to those officials who have volunteered their time for these championships, but thankyou also to all the officials around our country who unselfishly give their time so we can swim and compete.

I hope that while you are in Melbourne you take some time to visit some of the wonderful restaurants, coffee shops, theatres and markets that I see advertised constantly. I am looking forward to revisiting some of the exciting markets I have visited in the past. And I cannot decide which restaurants should be on the top of the list, I think I need more time to visit them all.

I am sure I am not the only one who is looking forward to renewing friendships with members from other states. The National Championships gives us the chance to visit another state, meet up with friends, achieve our own goals and enjoy watching others achieve goals, whether that be National records, state records, club records or completing a race. Masters swimming is about "swimming for life", getting into the water, keeping fit, meeting up with club mates, enjoying each other's company. I think it is easy to forget we are adults who joined Masters swimming for many different reasons, but ultimately, it's about doing something we all enjoy for whatever reason, let's all enjoy the experience of being in Melbourne and achieving whatever goals we set ourselves.

Best wishes to everyone swimming, coaching, supporting, officiating or volunteering this week in Melbourne. I hope you achieve your goals and most importantly enjoy the experience. Thank you to everyone who has contributed to making this week an unforgettable experience.

President, Masters Swimming Australia

State President's Welcome Message

It is my absolute pleasure to welcome masters swimmers from across Australia, and a few from across the seas, to Melbourne for Australia's 2025 MSA National Championships. On behalf of the board of Masters Swimming Victoria, we do hope you enjoy the competition, social events and camaraderie. Of course, we also hope you swim to, and exceed, your expectations and achieve the goals you have set yourself.

As I'm sure you all appreciate, behind the scenes of these events is a mountain of work, with the vast majority of it delivered by volunteers. Particular recognition must go to convenor Alan Godfrey who has spent uncountable hours overseeing all aspects of the event. His enthusiasm and stamina are quite remarkable. Supporting him have been a range of committees, members of which are listed below, and MSV's dedicated administrator Kara Pogós. Please, if you see any of those involved, do show your appreciation.

Also please show your appreciation to the silent heroes of these swim meets, the technical officials and recorders, without whom the event would not be possible. Dedicating their time and experience so that we may enjoy the competition is most commendable.

Personally, I am looking forward to seeing more high quality swimming and the range of expressions as you see your times and search for your placings. I hope you enjoy your experience as much as I am looking forward to it and this further enthuses you to *SWIM for LIFE*.

Welcome Message from Josh Burns MP, Federal Member for Macnamara

It's such a pleasure to be here with you today for the 2025 Masters Swimming Australia National Championships.

I'm proud to be here as the Federal member for Macnamara, I'm especially thrilled to welcome you all to our beautiful community.

I want to start acknowledging the Traditional Owners of the land we gather on today—the Wurundjeri Woi-wurrung and Boon Wurrung peoples of the Kulin Nation—and pay my respects to their Elders past and present. I extend that respect to any Aboriginal and Torres Strait Islander people here with us.

This land has a deep and enduring connection to water, something that feels especially meaningful as we come together to celebrate this incredible sporting event.

To Masters Swimming Australia, Masters Swimming Victoria, the volunteers, coaches, officials, families, friends—and of course, every swimmer who's come from across the country: welcome.

You've picked the best city in the world to host this championship—and no, I'm not biased at all.

Here in Victoria, we're passionate about sport. Not just the elite-level kind, but the kind that brings people together, builds community, and reminds us of the joy of movement—at any age.

That's what Masters Swimming is all about.

Whether you're aiming for a personal best, reconnecting with your love of swimming, or just out there to give it a crack, you're part of something special. You're showing that sport doesn't have an expiry date. That community, connection, and competition are for everyone.

Events like this inspire others to stay active, stay involved, and keep challenging themselves.

We know how much work goes into making something like this happen, from locking in venues, sorting schedules, wrangling volunteers, and keeping everything running smoothly. To the organisers and everyone behind the scenes: thank you. Your efforts are what make memories for hundreds of athletes and supporters.

And to the swimmers, good luck. We'll be cheering you on every step (or stroke) of the way.

As we officially open the 2025 Masters Swimming Australia National Championships, I hope this weekend is full of great races, new friendships, and moments you'll remember long after the medals are handed out.

Thank you for having me, and welcome again to Macnamara.

Race Sponsors - In Memoriam

Surrey Park - 50m Freestyle - Phillip and Arie

Phillip Norman had been a keen swimmer and loyal member of the Surrey Park Seahorses Masters Swimming club since 2009. He swam in both open water and pool events, and particularly enjoyed competing in intraclub meets. Phil swam regularly until he became unwell early in 2024 and passed away later in the year.

Arie joined the Seahorses Club in 2021 and participated in all aspects of the club, enjoying the pool and open water environments, as well as the social aspects of the club. Members remember him for his encouragement of other swimmers and love of all things water related. He died suddenly earlier this year.

The Seahorses wish to pay tribute to both swimmers today by sponsoring this race in their names.

Doncaster Dolphins - 200m Individual Medley - Frank Godden

This race is in memory of Life Member, Foundation Member and former Head Coach, Frank Godden who sadly passed away in 2024 after a long illness.

Frank was a much loved and well-known member of VDC not just for his time as Head Coach but also as a very talented swimmer both in the pool and the open water. He was awarded Life Membership of Doncaster Dolphins in 2003. Frank had a positive influence on many people and will be remembered as a fine and gentle man. He will be greatly missed by all of us at VDC and the many Australian Masters Swimming members he befriended over the years.

Glamourhead Sharks - 200m Backstroke - John Marriott

John Marriott was the most Glamorous of the Glams, joining in 2005 and instantly became an important member of our diverse club. John was a long time, and Life Member of Powerpoints and ran several state meets in the pre-computer age. He moved to Melbourne from Bairnsdale in the 1950's where he met his life-long friends Heather Jones and Dawn Frasesr.

John swam backstroke throughout his life, setting a State record at 70 in 2005. He was also very good at volunteering and would help with time-keeping at meets between his swims. We miss watching John gliding up and down the pool with your so very relaxed technique.

Powerpoints - 200m Butterfly - Laurie Healey "Meat Pie Classic"

Laurie Healey was a long-time member of Powerpoints, and was also a Life Member. He was always friendly, and welcomed new swimmers to the club helping to make them feel comfortable. Laurie was very social, and kind, and is fondly remembered by all who had the opportunity to meet him. Laurie was especially famous for eating just before his races; often an ice cream [a Magnum]; or failing that a Meat Pie - even before swimming his favourite event - the 200 Butterfly!

Information for Swimmers

[The Fine Print]

Conditions of participation

- **Membership.** Australian swimmers must be members of Masters Swimming Australia [MSA] for 2025, and belong to a club affiliated with MSA in 2025. International swimmers must be members of their World Aquatics affiliated national masters swimming organisation for 2025.
- **Age.** Event entry age is recorded as of 31 December 2025. Minimum age is 18 years of age, as of the first day of the meet.
- **Individual events.** Individuals may enter a maximum of twelve [12] individual events, and no more than three [3] individual swims per day.
- **Relay Teams and Events.** A club may enter as many teams in a relay event as they choose, but only one team per age group, designated as the "A" team, is eligible for points and awards. Changes may be permitted to relay teams [without changing the Age of the team] up to 2 hours before the swim. Relay change sheets will be available at the information desk.
- **Note** that the 4*100 Relay team scores count towards the overall Team Awards, but not towards the perpetual relay awards.

Competition Rules. The championships will be conducted in accordance with the MSA General Rules; Competition Rules and Policies at the close of entries. The Rules are available on the MSA website at <https://mastersswimming.org.au/rules-and-policies/>

Swimmer Identification. All registered swimmers will be provided with a competition identification card in a PVC sleeve with lanyard, which will list the events that the swimmer has entered. Swimmers should keep this ID card with them at all times. Swimmers on Day 1 [800m Freestyle] are excused this provision until they have had time to register.

Registration. The registration desk will be open from 12 pm -3 pm on the Monday 7th April for swimmers who want to come in and explore MSAC, and do a warm-up. There are 3 lanes available for swimmers to warm up in the competition pool from 11 am - 3 pm. Free entry for competitors to MSAC.

The Registration desk is upstairs on the mezzanine level of the Aquatics Entry. The registration desk will also be open during the meet for competitors to register, and collect their goody bag.

Marshalling. We will have to rely on swimmers **Self Marshalling**. Please try and keep track of when you are swimming, and be ready behind the blocks 3 heats before your race. Heat and lane allocations are listed in the program and on your Swimmer card, on the website, and on SwimPhone. The onus is on the swimmer to be aware of when their heat is likely to be called by monitoring the program and the display on the scoreboard. A Check Starter will call heats forward for you to move behind your starting block. Please confirm your name with the timekeeper before you swim; [or after your 50m swim].

Information for Swimmers

[The Fine Print - continued]

Timekeeping. Automatic Officiating Equipment [AOE] will be in use to record times and determine results. Semi-Automatic Timing [SAT] will be in use as the back-up system. Manual stopwatches will provide further back-up. We will be relying on swimmers doing their part, and helping with timekeeping. Please feel free to help out if you see a lane needing a timekeeper.

Starting and Finishing

- Swimmers may start on the starting blocks, off the pool deck adjacent to the starting block, or in the water. Swimmers not starting on the blocks or pool deck [excepting backstroke events] should notify the Referee prior to the start of the heat.
- When finishing your swim, please ensure that you hit the touch pad [timing pad] firmly, then move back away from the wall about a metre, remaining in your lane, and hold on to the lane rope. [this prevents accidental touches to the timing pad.] Follow the Referee's instructions and leave the water when told to do so, by the nearest side ladder. Please do not attempt to leave the pool by climbing over the timing pad.
- Relays - Swimmers 1,2,3 need to leave the water when possible, without interrupting other swimmers. Swimmer #4 remains in the water until told to leave by the referee.
- The use of Backstroke wedges is **always optional**. Any adjustment required to the wedge is responsibility of the **swimmer**. Wedges will be set to 0 at the start of each race.

Results. Results will be available on SwimPhone and Meet Mobile. We hope to post a set of results upstairs behind the grandstand. Full results including split times will be available via the MSA Results and Records portal at the conclusion of each day's events. Results will be available in the portal, Meet Mobile, and Swim Phone.

SwimPhone. SwimPhone is a free "web app" which works with any web-connected device with a browser, and displays heat sheets, and race results; with graphs, splits, places and points.

See SwimPhone information at

https://www.swimphone.com/meets/event_order.cfm?smid=19320

Protests. Protests regarding results must be submitted within 30 minutes of the event results being released, using the MSA Protest Form available at the Information / Medal Table.

Medals. Medals for 1st, 2nd, and 3rd placegetters [Gold, Silver and Bronze] will be awarded in each event. Each member of the relay team will also receive a medal. Medals will be available for collection after any protests have been resolved. The medal table will be upstairs near the grandstand, as shown on the site plan.

400m and 800m events. All the 400 metre and 800 metre events will be swum 1 person per lane, and swum slowest to fastest as indicated in the program. The 400m and 800m Freestyle events will be judged and recorded as Freestyle events **only**; regardless of any other stroke swum.

Information for Swimmers

[The Fine Print - continued]

WARMUP/COOL DOWN

- The Competition Pool will be available for warming up from **8:30 AM-9:00AM**.
Please vacate the pool when instructed to do so.
- A 2nd [northern/diving] pool will be available for warm up and cool down during the meet.
- No paddles may be used in the warm-up pool.
- **Diving is only allowed** in the lanes marked for diving during warm-up [probably lanes 0,1].
- **Please do NOT dive** in any other lanes.
- **Please do NOT dive** at any time in the warm-up/middle pool. This is standard practice.

The swimming competition will be held in the INDOOR pool at MSAC; [Melbourne Sports and Aquatic Centre].

Swimmers Please Note – NO ACCESS INTO THE POOL FACILITIES WILL BE ALLOWED BEFORE 8:00 AM

From 8:00 am entry can be made through the Aquatics Entry, and ground floor. From 9:00 am entry is only through the upstairs entrance to the stands.

MSAC POOL ENTRY

- Entry is through the **Aquatics Entrance** [near the multi-deck car park].
- Entry can also be made through the Main MSAC entrance - and follow "The Blue Line" - see plan, but is easier through the Aquatics entry.
- Entry for competitors is from 8:00 am
 - From 8:00 am – 9:00 am the bottom entry is open for those who cannot manage the stairs.
 - The upstairs entry is open from 8:00 am to access the grandstand.
 - There is a lift available to access the first floor.
 - **It is HIGHLY recommended to use the upstairs entry.**

GENERAL

- Listen carefully to all announcements and at all times please report promptly to the race / marshalling area when advised by your race captain.
- Use the marshalling room to get your relay team together, or for preparing for your race.
- The program will not be held up due to swimmers arriving late for their heat nor will any relay be reassigned empty lanes. It is your responsibility to be punctual
- In all swims: Check your name with the timekeeper before you swim. [For 50m events check your name with the timekeepers after your swim.]

Information for Swimmers New to Competition

SELF MARSHALLING

Please use the Marshalling Room. Try not to congregate in the undercroft. We will rely on swimmers **Self Marshalling**. Please try and keep track of when you are swimming and be ready behind the blocks 2-3 heats before your race. Please keep the noise down in the marshalling area.

Timekeepers

We will be relying on swimmers doing their part, and assisting with timekeeping. Please feel free to help out in any lane if you see a lane needing a timekeeper.

TIMEKEEPERS AREA

Check your name [or team name] with the Timekeeper. Be aware of the heat ahead of you so you can be prepared for your heat, prior to the finish of the preceding heat.

Be ready to move forward behind your block, when the Timekeepers move forward to take the time of the preceding swimmer.

Have all of your accessories in place and be swim ready for the Referees whistle.

REFEREE'S WHISTLE TAKING UP POSITION

When the referees whistle blows, move straight to your starting position on the block edge, on the pool deck or in the water. It is your responsibility to be there and ready, not late or still adjusting goggles and cap or talking. Holding up the start can be cause for disqualification.

You MUST have at least one foot at the front of the block or edge of the pool deck or one hand on the edge and feet on the wall (if in the water); ready for the starters command.

THE START

On the Starter's command "take your marks", immediately and quickly take your mark ready to start the race. The starter will use a Light and hooter. Swimmers must be steady at the start. [For relays, swimmers 2, 3, and 4 can be moving, but must have some part of the body touching the block, or wall, when the incoming swimmer touches.]

NB – ONE START RULE APPLIES

i.e. If a swimmer 'breaks', they will be immediately disqualified and the heat will continue

FREESTYLE, BREASTSTROKE & BUTTERFLY STARTS

The start may be taken from the block, the edge of the pool or in the water. Take up your position on the Referee's whistle and wait for the Starter's command (light and hooter).

BACKSTROKE STARTS

Backstrokers should enter the water FEET FIRST on the Referee's whistle and, without delay, move to their starting position. A second whistle will sound to indicate to all that the start is imminent. Diving out and being slow to the starting position can attract disqualification for delaying the start. Swimmers must hold firmly to the starting blocks with both hands.

Use of Backstroke ledges – **is optional**.

Please Note: ALL backstroke wedges will be set to the 0 mark. It is the **SWIMMER'S** responsibility to adjust the wedge as they require. [Not the IOT].

THE FINISH

Touch the pads **firmly** and move back approximately **1 metre** and rest on the lane ropes until requested to leave the water.

THE EXIT

Swimmers should exit the pool to the nearest side, **never over** the timing pads at the end of the pool. Please keep well away from the touch pads as you move across.

SWIMMING RULES

Current Masters **Swimming Rules** apply at this meet for Masters Swimmers.

See the MSA website. <https://mastersswimming.org.au/rules-and-policies/msa-competition-rules/msa-swimming-rules/>

SwimWear Rules are as follows:

<https://mastersswimming.org.au/rules-and-policies/msa-competition-rules/msa-swim-wear-rules/>

Please ensure that there are preferably no Watches, Jewellery etc being worn in warm-up or races. Modified Swimwear is permissible but no World Records are available wearing modified swimwear.

The “One Start Rule” will apply at this Meet.

RELAYS – AND CHANGES

- Relay Change Sheets will be made available from the Information / IT desk.
- Changes to Events will need to be given by 9:00 am.
- Clubs may enter multiple teams in an age group, but only one team will score points.

RESULTS

- Provisional results of each event will be posted on the Mezzanine floor, behind the seating areas, as soon as they are available.
- **Thirty (30) minutes (maximum) is allowed for lodgement of a protest/query, in writing, on the forms provided at the Information desk.**
This time limit also applies to any change to the results posted. For example; incorrect time listed, no time listed & /or swimmers missing from results. These forms will then be processed by the Chief Recorder. Final results for each event will be posted in the same area, after the protest period has elapsed. These will be clearly marked as final.
- Awards can be collected after the posting of the Final results for each event. The Awards desk will be on the mezzanine area. For relay events, one club representative will be required to sign for all 4 members, when collecting the medals.

AWARDS

- Medals will be given to 1st, 2nd, and 3rd placings in each age group in each event.
- Age Groups are as per the rules 18-24, 25-29, 30-34 etc.
- Relay team members will all be given medals. Relay age groups are 72-99; 100-119; 120-159; 160-199; 200-239; etc.

THANK YOU!

On behalf of the 2025 Nationals Committee and Masters Swimming Australia, we extend our heartfelt thanks to all swimmers, coaches, officials, volunteers, and supporters who have made the 2025 Masters Swimming Australia National Championships a memorable success. Your enthusiasm, dedication, and sportsmanship have exemplified the true spirit of Masters Swimming. These championships not only celebrate exceptional athletic achievements but also foster enduring friendships and vibrant community connections. We hope that you leave Melbourne with wonderful memories, renewed inspiration, and strengthened bonds with your fellow swimmers.

We gratefully acknowledge the invaluable support from our sponsors, partners, and the Victorian State Government. Your generosity and commitment have made this event possible. Safe travels home, and we look forward to welcoming you again at future Masters Swimming events. Until then, keep swimming, stay healthy, and continue to inspire others with your passion for this remarkable sport.

Thank you, and congratulations to all!
